

## Home Page

## Registration and Login

Create rough sketch of UI:

Login Page:

logo	Title of website	login	signup
About Us	FAQ	Newsletter	search for car
Email:	<input type="text"/>	<p>Help</p> <p>- questions that help if you can't sign in.</p> <p>↓</p> <p>↓</p>	
Password:	<input type="password"/>		
<input type="button" value="Login"/>	<input type="button" value="forgot password/username"/>		

user portal  
after clicking  
login and enter  
details

Registration Page:

logo	Title of website	login	signup
About Us	FAQ	Newsletter	search for car
Username:	<input type="text"/>		
email:	<input type="text"/>		
password	<input type="password"/>		
phone:	<input type="text"/>		
		confirm email:	<input type="text"/>
		confirm password:	<input type="password"/>

## Bottom of Registration and Login

Below both Pages:

undereath of both pages will have contact us  
and other important things:-

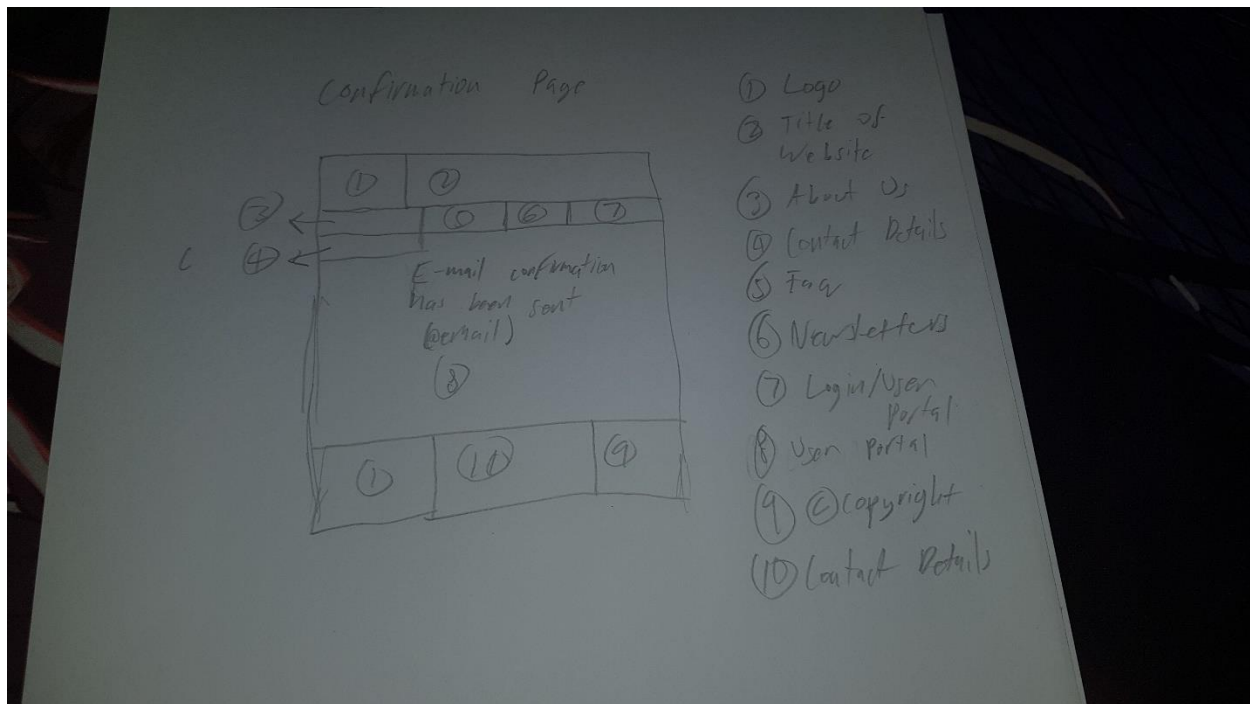

other:

Contact us

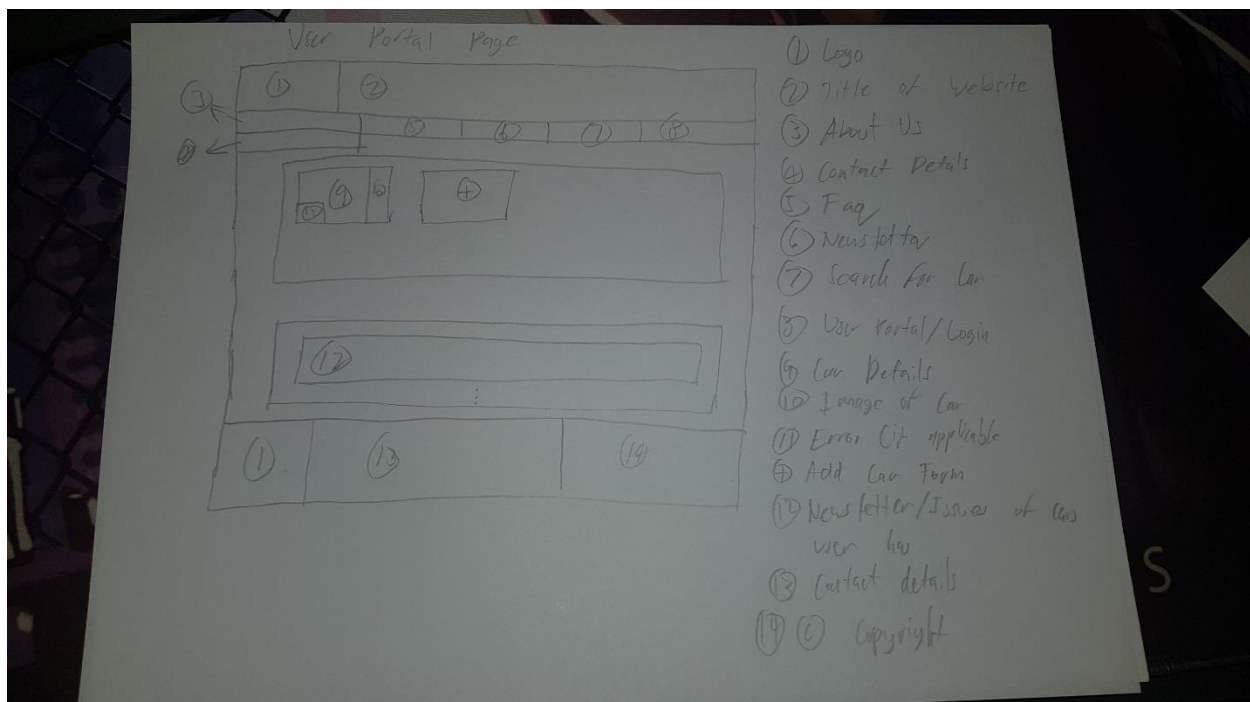

have a website  
who created it

## Confirmation Page

## User Portal

## Add a Car Form

"Add a Car" Form Page
